Update: Construction to begin on Interstate 94 in Bismarck

Weather permitting; construction will begin the week of October 29, on Interstate 94 in Bismarck. Work on the eastbound roadway will be performed from the US Highway 83/State Street (Exit 159) off-ramp to the Bismarck Expressway/Centennial Road (Exit 161) off-ramp. Work on the westbound roadway will be performed from the Bismarck Expressway/Centennial Road (Exit 161) on-ramp to the Tyler Parkway (Exit 157) on-ramp. The project work consists of asphalt patching.

During construction:

- Traffic is reduced to one lane between 8 a.m. and 5 p.m.
- Speeds are reduced to 40 mph through the lane closure area
- A 15-foot width restriction will be in place through the lane closure area
- Flaggers may be present

The project is expected to be completed in early November.

The traveling public should use caution when driving through the construction zone. Motorists should allow extra distance between their vehicles and the vehicles in front of them, use extra caution and obey flaggers and posted signs.
